## The Nigerian Project

The Technical College, Ibadan, Nigeria is a two year school designed to furnish that country's government with technicians and office personnel. Western Michigan University became involved in the project in 1960 when the United States Agency for International Development asked it to supervise the college.

Since that time WMU has contributed numerous specialists who serve as instructors and administrators. An important aspect of the school is the training of Nigerian students to assume the positions which it now relies on WMU to fill. Under current plans the institution should become self-sufficient by 1968.

When Western entered the project in 1960, Dr. George E. Kohrman, the Dean of the School of Applied Arts and Sciences, was the coordinator from the WMU campus. That position is now held by Mr. Donald Metz, the Assistant Dean of the School of Applied Arts and Sciences, who is also a former principal of the Technical College, Ibadan.

# Job Corps

To help young men "to get a job, to keep a job, and to return to society" is the principal goal of the Job Corps program. Western Michigan University plays a vital part in fulfilling this purpose at the Fort Custer Job Corps Training Center near Battle Creek.

As a subcontractor to the United States Industries, Inc., WMU provides a staff of over fifty certified educators who are responsible for the recreation and the academic instruction given at this training center. Mathematics, reading, communication skills, social understanding, audio visual and library study are within their scope of teaching.

However, as the pictures reveal, academic training is only one aspect of the Job Corps program. These young men, and the other 1,500 participants throughout the nation, are learning a trade that will help them to break out of the cycle of poverty.

## Ackley Hall

In the darkest of a misty night, bright lights guide students to a destination known as the Valley. The seclusive atmosphere of valley life is impressive to its residents because it offers an outlet to a purely academic environment. From any point within the confines of the valley, a student may see the aesthetic realities of his natural surroundings.

Valley students are familiar with the advantages of co-ed dorm life, invigorating walks, modified this year by the North Valley Transit System, and the opportunities for good times at inter-quad dances and movies. The "Little Union" has become the traditional meeting place for valley residents.

A new trend in dormitory government was initiated this year. The policy of consolidation provides for the formation of one house council for every two dorms, with the purpose of encouraging uniformity in dorm activities.

The unfamiliar finds a nook in a sprawling dorm complex. In a new educational building, an empty staircase waits to be traveled while worn paths wind to an old familiar rendezvous. Late into the night the atmosphere is quiet and peaceful, but with the awakening of a new day the atmosphere changes — the main campus comes alive as students trudge to eight o'clock classes.

The main campus resident enjoys the convenience of life within the "heart of the campus." They are within a short distance from their classes, the student center, the library, the golf course and Read Field House. They reside in a mixed atmosphere: the traditional era of excitement associated with the union and the serious complexity of education embedded in the library and educational facilities that surround them. As Mesopotamia became the region of assimilation in ancient times, so the main campus attempts to assimilate a diversified student population.

Zimmerman Hall

If tradition holds a campus together, then the cradle of Western's tradition exists on the East Campus where the University was born and took its first faltering steps. Residents of the East Campus live surrounded by an ancestral atmosphere. The architecture symbolizes antiquity outdated in style, but not in spirit. Vandercook, Walwood and Spindler Halls share a common heritage and a unique place in campus life. Although East Campus dorms are few in number, small in size and remote in distance, their influence, their exuberance and their perserverence is felt in campus activities.

During the past year, Walwood continued to sponsor a variety of movies and mixers. The women of Spindler invited the men of Vandercook and Walwood to lunch and dinner, which the men of the "Hungry Halls" gratefully accepted. And then came the Homecoming spirit, which gave the three dorms an opportunity to unite their talents and ideas in the production of outstanding house displays.

The University Theatre of the Department of Speech continues to strive for a diversified and exciting program for its audience, and a rich and rigorous one for its student participants. Both student and audience participation in this "live theatre laboratory" continue to grow. That the University Theatre staff continues to seek new ways to make human drama vital and significant to Western is reflected in these pages. "To be continued."

"Happiness was Hitchin," Linus said while clutching to his famous warm blanket. Students during the raw winter winds are voicing the same complaint. But sensible Lucy made a sign to help Linus see the light. "Please Help Make W. Mich. Ave. Safe," it said. And a line of people marched to City Hall, after a costly motorcycle death, to place a death wreath on Kalamazoo's Safety Award. At the price of death, the hitching lines have ceased.

Buses are now in operation every ten minutes to pick up frozen red legs. With a transit system of much more efficiency than hitchhiking, the buses take students to and from their dorms to classes on both the East and West Campuses.

For the first time in three years, the Snow Festival was held *with snow* even though it came two weeks late. Sculptures were built around the theme of "Our American Heritage."

## Western's Choice is Michigan's, too!

Western took a "look and listen" at Esther Smith, a freshman from Portage, and titled her Miss WMU. Then on she went to Muskegon in the summer and returned to campus this fall with the Miss Michigan crown. She is a vocal music major with a special interest in classical opera. It is with great pride that we present her to you here.

Right: Esther is crowned Miss WMU 1965 by her predecessor, Sue Bieganowski.

# ATHLETICS

The intercollegiate athletic squads of Western Michigan University have brought added honor and prestige to the school this year. Their contributions in football, basketball, cross country, indoor and outdoor track, wrestling, baseball, tennis, golf, and swimming have been exceptional. Students, faculty, and friends will long remember how a game football team overcame numerous injuries to record a winning season, how the basketball team managed to upset highly regarded Michigan State, and how the cross country team beat the best teams in the United States to retain their national championship. The list of laurels could go on and on. Therefore, we salute all who have worn the brown and gold so well.

# WMU Football "Arrives" Under Doolittle

Many feel that the 1965 football season began an era of winning football at Western Michigan. Molding together a veteran group of seniors with an outstanding crop of underclassmen, Doolittle produced Western's winningest ballclub, 6-2-1, since 1942.

Under the watchfull eyes of Doolittle, the squad made constant improvement in every game, finishing a respectable third in the rugged Mid-American Conference. After splitting their first four games, easing by Louisville and Central Michigan while dropping conference contests to Miami and Bowling Green, the Broncos suddenly found themselves, tying Kent State before a record-breaking homecoming crowd. League foes Toledo, Marshall, and Ohio University fell before Western as did Montana to complete an exciting season.

Some of Doolittle's top performers were Bob Rowe and Marty Barski, Mid-American Conference all-star choices; Dale Livingston, who set a league record by booting six field goals in conference competition; and Ron Seifert, the MAC's leading passer. They all return next year, as does Doolittle who has captured the hearts of all Bronco fans.

Dale Livingston's talented toe was one of the major reasons for the team's success. The Bronco's leading scorer, Livingston, set a WMU record with a 45-yard field goal against Marshall. (Above) Ken Nobis clears the way for sparkplug halfback Jim Long against Miami. (Right) The No. 1 passing arm in the MAC for 1965 belonged to Ron Seifert. Co-captains Nelson Jackson and Jim Reid supplied the top-flight leadership that a winner needs. Despite lack of size, the diminutive Jackson was among the team leaders in individual tackles, specializing in dumping enemy quarterbacks (Left). "Hostile, Mobile, and Agile," hard-nosed Reid moves in to crunch a Louisville back (Below).

# Bob Rowe

Only a junior, brawny Bob Rowe was twice voted Mid-American Conference Lineman-of-the-Week; was selected to the All-MAC defensive unit; and was named MAC Line-man-of-the-Year for 1965. To add the finishing touches, Bob received honorable mention in the All-American polls.

# Cross Country

When Western Michigan's crack cross country team won its second straight NCAA title at the University of Kansas, it marked only the third time in history that back-to-back titles have been won by the same school.

Copping the title was a fine finish for Coach George Dales and his team. During the regular campaign the Broncos won dual meets over DePaul, Air Force Academy, Central Michigan, Northern Illinois, and Michigan State to extend WMU's record to 43 straight dual meets in which the Broncos have not been beaten. The string started in 1957. In addition, Dales has coached eleven All-Americans since 1956. His latest, Steve Smith, finished sixth out of 162 in the rugged NCAA competition.

Closely following Smith were Wolfgang Lugauer, Ted Nelson, Gary Myers, and Roger Plont. Their total score of 81 points gave Western a wide margin of victory over Northwestern's Big Ten champions, Tennessee, Georgetown, and Oklahoma State.

# Wrestling

(Far left top) John Byrne applies pressure against Notre Dame. (Far left bottom) Roy Aulwurm can really "pick 'em up and lay 'em down" as he demonstrates for an Ohio University Bobcat. (Left top) Feeling out his rival, John McIlroy moves in the neutral position. (Left middle) Gary Stoner struggles for position near the edge of the mat. (Left bottom) Starting from the referee's position, Bob Bengé gains leverage. (Above) Greg Doty rolls to a pin.

When you are on the bottom, there is only one way to go, and that way is up! Last year, Western's grapplers finished in last place in the Mid-American Conference and held the reputation of being push-overs. They no longer hold that title thanks to the efforts of Coach Roy Weitz who took a relatively inexperienced squad and produced a winner.

Working with only two seniors, heavyweight Don Shelton and diminutive Pat Harrington, the Broncos rolled over four rugged opponents — Notre Dame, Western Ontario, Ohio University, and Ball State — in their first five outings. Impressive among the newcomers were John McIlroy in the 123 pound class, Kim Tibbits in the 130 division, and Bob Bengé at 152 pounds. Roy Aulwurm and Greg Doty, 160 and 170 pounds, also made fine team contributions.

Both Shelton and Harrington who compiled winning records over their three-year careers will be missed next year, but a young and experienced pack of Broncos will continue to move Western wrestling fortune upward.

# Swimming

Coach Ed Gabel discovered the formula for success many years ago and has made winning a Western swimming tradition ever since. Smoothly blending a talented crew who possessed the necessary desire with rigorous training and excellent leadership, Gabel produced another Bronco powerhouse.

This year's contingent was paced by co-captains Ron Pohlonski and John Woods. Pohlonski, one of the nation's top competitors in the freestyle distance events, and Woods who has made shambles of the school's butterfly marks, have led Bronco tankers to thirty-one dual meet victories in thirty-two tries over a three-year period.

Other top performers for the Mid-American Relays champions were freestylers Rick Barringer and Bob Lorenz; backstrokers Fred Cutler and Ron Klassen; and diver Dennis Noll. All but Noll will return next year to perpetuate the Gabel tradition.

(Above) Dennis Noll displays the form which has made him one of the M.A.C.'s top divers for the past three years by performing a two and one-half somersault. (Below) Bob Lorenz anchors the winning medley relay against Ball State as timers anxiously watch.

# Basketball

Unpredictable is the only word to describe Western Michigan's 1965-66 basketball season. Up when the chips were down, Don Boven's quintet managed to win the big games. And yet, the Broncos usually went sour against less formidable competition.

After dropping the season's opener to old nemesis Central Michigan, the Broncos surprised everyone by thumping Big Ten powerhouse, Michigan State. Outside of the blitz upon the Spartans at Jenison Fieldhouse, Western was very unimpressive on the road, unable to win another away game through the first two months of the season.

The campaign was a disappointment to many fans who hoped that the return of Ajac Triplett on one good leg would place Western among the Mid-American powers once again. However, the slick rebounder reinjured his leg mid-way through the year, shattering all chances of an M.A.C. title in Coach Boven's last year at the helm of the Broncos.

Sophomores Reggie Lacefield, Phil White, Tom Cook, Joe Kramer and Clarence Harville teamed with seniors John Scholtens, Bob Blohm, Brian Best and Bill Coole to supply the scoring punch in the absence of Triplett.

# Indoor and Outdoor Track

1965 was another great year for Western Michigan track and Coach George Dales. Blessed with good talent and plenty of depth, the thinclads tasted defeat only once during the year and walked away with their eighth straight Mid-American Conference title.

Under the leadership of tri-captains Bruce Burston, Steve Kaiser and Jim Vogler, Bronco runners dominated the W.M.U., U. of M., Michigan State, and University of Chicago relays during the indoor season. In the NCAA Indoor Championships, Bruce Burston gained All-American honors by placing third in the mile.

Moving outdoors, the Broncos were equally impressive sweeping over all comers including Big Ten Champions, Michigan State. Western showed their heels to the M.A.C. by sweeping the conference meet and establishing three new records. Ron Stratton finished the high hurdles in record time of 14.4, while Ralph Stephenson won the 880 in 1:49.4. The final meet mark fell as Paul Seeley soared 14' 6 $\frac{3}{4}$ " in the pole vault.

Another Bronco winner, Dennis Holland, completed the year in fine style in the long jump by landing a spot on the All-American team, placing third in his specialty at the NCAA Championships. His best leap, however, was 26' 2 $\frac{1}{2}$ " and placed him sixth in the world during 1965.

Jet-smooth Dennis Holland nips Jim Vogler in 100-yard dash, Central State. Holland also edged Vogler as the thinclads top point producer, scoring  $152\frac{1}{2}$  points to Vogler's  $138\frac{1}{4}$ .

# Tennis

Once you make it to the top, it's difficult to stay there. However, Coach Hap Sorenson and his netters have been on top of the Mid-American Conference for twelve years.

Prepping for the M.A.C. title on rugged competition in the South and in the Big 10, the Broncos piled up nine wins against seven losses with the likes of Wake Forest, North Carolina, Cincinnati, and Washington of St. Louis falling along the way. The one-two tandem of Bob Gill and Mike Goodrich was unstoppable all season long.

At the M.A.C. Gill was upset in the No. 1 singles and Gill and Goodrich were surprised in the No. 1 doubles, but the inspired play of Norton Thomas, Phil Campbell, Tom Essenberg, and Tali Ripelis saved the day. Goodrich (No. 2 singles), Thomas (No. 3 singles), and Campbell (No. 4 singles) snared individual titles, while Campbell and Ripelis nabbed the No. 3 doubles crown.

With many of the same faces back for another year, Western will again be a team to be reckoned with in the M.A.C., and possibly the N.C.A.A.

# Golf

The most pleasing feature of the 1965 Golf season was the tremendous improvement of the team according to Coach Dick Rakolvits. Starting slowly, the linksters picked up steam, rolling to eight victories in fourteen matches.

John Seiter and Tom Milham, the No. 1 and No. 2 men played consistently averaging 73 strokes per round, and the top six men had a combined average of 75.8 strokes.

The Broncos raised many an eyebrow at the Mid-American Conference on the first day standing in second place, seven strokes behind powerful Ohio University. The Bobcats kept up their pace, but Western ran out of gas on the second day finishing fourth.

Harry Barrett, Dave Zielinski, Jan Blick, Peter Katt, Coach Dick Raklovits, Tom Milham, James Strate, Bill Mindulak, and John Seiter.

What a difference the rain makes! Just ask Coach Charley Maher's baseball team. Ohio University nipped Western for the Mid-American Conference crown by virtue of winning two more games in league competition. Each lost one game on the Mid-Am schedule, splitting a doubleheader at Hyames Field. Any chances of catching the Bobcats were washed down the drain when a twin-bill with Bowling Green was cancelled due to rain.

On the brighter side, the Broncos compiled a 16-6 record against the best teams in the nation, defeating Michigan; Michigan State; Notre Dame; Wisconsin three times; and the N.C.A.A. number two team, Ohio State. Of course, winning the tough games is nothing new for Charley Maher who has rolled up an amazing 397-187-6 record in twenty-seven years of coaching.

The Broncos were an explosive crew paced by All-Americans Bill Guerrant and John Huizenga. Guerrant led the N.C.A.A. in batting with a lofty .467. Dave Anderson, Dave Reeves, John Sluka and Ed Staron were all formidable with the stick.

Jim Johnson and Dave Gartha headed the mound corps. Other pitching chores were handled by Charlie Kline, Eric Hall, Hal Widener, and Bill Booth.

Wesley Foundaton's theme for the year's Sunday evening vesper series was "The Search for Truth." Truth claims of Ayn Rand's "Virtue of Selfishness," Hugh Hefner's "Playboy Philosophy," and Federico Fellini's "La Dolce Vita" (to name a few) have been set along side the truth claims of the Christian Gospel in an effort to discover similarities and contrasts and to help each student arrive at what he can suitably accept as truth. Added to this are the fun of social events, the challenge of College Class and many other activities.

(Left) Retreats are not all planning, study and worship. (Below) Worship services at Wesley are generally very creative and something quite informal.

## Commencement, Class of 1965

Four years of higher learning endow seniors with many capabilities. The ability to print around those tiny holes in IBM cards, the knowledge that madras really does bleed (and the red tennis shoes to prove it), the patience required to make a telephone call from a dormitory, the self-restraint of a solid hour's study in the library, and the wisdom and frugality to make a five-dollar bill cover three weeks' activities assure seniors that their schooling has been fruitful. The academic training, also bestowed abilities, knowledge, and wisdom that are composed of more vital substances. From these acquisitions graduates have gained broadmindedness, tolerance, perception and understanding — the essential qualities.

Diamonds

are not  
alike

and neither are the stores who sell them!

You cannot "see" the difference in diamonds... you must rely on your jeweler's knowledge and reputation for honesty. We're different from others because we've earned the title *Registered Jeweler*, awarded by a non-profit Society of educators and gemologists called the American Gem Society. Only a limited number of jewelers in the country hold this title, your assurance when you buy diamonds here.

## The next best thing to a Fulbright

The most difficult problem the majority of students encounter in their education is not academic. It's financial! More and more students need financial assistance to help counter the rising costs of an education.

Since an education is essential to your future, don't be left out. Instead, drop in at First National and let's talk about financing your education with a low-rate bank loan. First National offers terms to best help each student with his or her studies. It's really the next best thing to a Fulbright Scholarship!
